EDGE Entity CARACAL Returns to AAIHEX 2026 as Weaponry Sponsor

- *CARACAL will present its full line of commercial pistols and rifles, locally produced ammunition from CARACAL LIGHT AMMUNITION, and luxury hunting rifles from Merkel*

Abu Dhabi, UAE: EDGE entity CARACAL, a regional leader in the design and manufacture of high-performance small arms, will return to the Al Ain International Hunting and Equestrian Exhibition (AAIHEX 2026) this month as Weaponry Sponsor of the exhibition's second edition.

At the exhibition, CARACAL will showcase its full commercial pistol and rifle portfolio alongside small-calibre ammunition produced by its subsidiary CARACAL LIGHT AMMUNITION (CLA), the only small-calibre ammunition manufacturer in the UAE. Visitors will also find luxury hunting rifles from Merkel, CARACAL's German subsidiary, which has been building precisely balanced sporting rifles for more than a century.

Hamad Al Ameri, CEO of CARACAL, said: "Returning to Al Ain for the exhibition's second edition reflects the value we place on the region's hunting and sports shooting community. Our commercial pistols and rifles are designed and built here in the UAE, and together with ammunition produced locally by CLA, they are made for the enthusiasts who carry this country's hunting heritage forward."

Merkel rifles on display will include the Helix Speedster, Helix Black and Helix Noblesse, alongside several configurations of Liwa Arms' Chayeh Z20 and the Chayeh Z22 'Saktoon'.

CARACAL and CLA will be located in Hall 1, Stand 1D-10 from 25th to 29th November at the ADNEC Centre Al Ain.
