

EDGE Group Entity, JAHEZIYA, to Showcase Industry Leading Energy Safety Solutions at ADIPEC 2022

JAHEZIYA, a single-stop service provider for defence solutions and emergency response services, today announces their participation in ADIPEC 2022, where they will announce a new strategic business collaboration, as well as underscore their innovative solutions intended to aid energy sector training and technology initiatives.

At the event, running from 31 October to 3 November at the Abu Dhabi National Exhibition Centre, JAHEZIYA will showcase its unique specialised fire rescue, health & safety, emergency response services and training course offerings.

Speaking on their participation, JAHEZIYA CEO Talal Al Hashmi said, “JAHEZIYA is proud to participate in ADIPEC, entering key conversations and showcasing our abilities as a leading provider of the services and training that support and enhance a complex global energy market. We recognize the importance of providing a platform for international energy experts and professionals to source the latest innovations and technologies. We look forward to highlighting how JAHEZIYA is uniquely able to improve energy solutions and emergency response safety measures through training innovation.”

Hosted by the Abu Dhabi National Oil Company (ADNOC), ADIPEC is the world’s most influential gathering for energy industry professionals. ADIPEC 2022 will accelerate the energy transition, unlock real value in a decarbonised future, showcase ground-breaking technologies and explore actionable strategies and solutions to the challenges and opportunities created by complex global energy market dynamics. The exhibition provides JAHEZIYA the opportunity to feature their latest disruptive solutions and capabilities, positioning themselves on the leading edge of tomorrow.

ADIPEC attendees can visit JAHEIZYA in Hall 5 at stand 5150.

JAHEZIYA is the region’s leading provider of emergency firefighting and rescue services, comprehensive military training, systems engineering and technical project management services, inclusive of systems integration. It also provides technical project management services and training solutions.

JAHEZIYA is part of the Trading & Mission Support cluster at EDGE, an advanced training and technology group for defence and beyond, which ranks among the top 25 military suppliers in the world.
