# EDGE and Reach Digital Sign MoU to Advance Cyber Innovation

**Abu Dhabi, UAE: 15 October 2025 –** EDGE entity ORYXLABS, a leading provider of digital risk protection and advanced cyber solutions, and Reach Digital, a UAE-based company specialised in AI and digital transformation, have agreed to collaborate to jointly develop solutions in threat intelligence and OT/IoT security. The agreement was formalised today at GITEX GLOBAL 2025, the annual technology and digital transformation event held at the Dubai World Trade Centre (DWTC).

It was signed by Rogério Lemos, CEO, ORYXLABS, and Malik Melhem, Group CEO, Reach Group. The two organisations will create a joint committee to identify and pursue emerging commercial opportunities in cybersecurity and network connectivity, with a particular focus on technology adoption, innovation, and go-to-market expansion.

Visitors to GITEX GLOBAL 2025 can explore ORYXLABS' portfolio, along with other entities

within EDGE’s Space & Cyber Technologies cluster, at Hall 24, Stand B40, from 13 to 17 October.
