Commemoration Day Statement

To serve one’s nation is the highest honour. The United Arab Emirates stands strong and secure thanks to the brave men and women who answered the call of duty in both the military and civilian realms, in service to their country and its people. Through their courage, we continue to enjoy peace, security, and stability in a united, tolerant, and prosperous society. On this Commemoration Day, we reflect on their extraordinary patriotism and sacrifice.

EDGE Group is forging ahead in shaping the future of advanced technology and defence, and we draw strength from their example. Our mission is rooted in the same spirit of service to the nation, one defined by resilience, integrity, and an unshakeable commitment to safeguarding and strengthening our homeland, building on the foundations secured by those who came before us.

May our nation continue to prosper and progress in peace, always mindful of the selfless heroes whose service continues to inspire us today, and well into the future.
