AMMROC combines with Landmarc Gulf on Military Capability Development Solutions

AMMROC, a leading provider of military maintenance, repair, and overhaul (MRO) services in the region, has signed a Memorandum of Understanding with Abu Dhabi registered Landmarc Gulf Consultancy Management LLC, an integrated training consultancy provider, specializing in military training support and technical consulting in secure and critical environments.

Hareb Al Dhaheri, CEO of AMMROC and Michael Jones, General Manager of Landmarc Gulf, signed the agreement in the presence of leading representatives of the two companies, on the sidelines of the International Defence Exhibition and Conference (IDEX 2021), underway at the Abu Dhabi National Exhibition Centre (ADNEC) from 21 to 25 February.

Under the terms of the agreement, the two companies are aiming to enhance the range and quality of services offered to military and defence personnel and thereby reinforce the UAE’s defence preparedness. Furthermore, through partnering with a global leader in the military training and mission critical support services space, AMMROC aims to boost the breadth and depth of its Technical Training Department’s capabilities.

AMMROC is part of the Trading & Mission Support cluster within EDGE, the advanced technology group that ranks among the top 25 military suppliers in the world.
