BEACON RED Recognised as Great Place to Work®

BEACON RED, a solutions-provider that focuses on tackling complex national security threats and a subsidiary of EDGE Group, announced today that it has been certified as a Great Place to Work®.

BEACON RED benchmarks itself against best-in-class global companies, and prides itself on developing a high-performance culture, embracing diversity, and working as a team to tackle the most complex security challenges. BEACON RED attracts the world's most elite national security professionals and skilled personnel from various fields and domains.

Mauricio de Almeida, CEO, BEACON RED said: "First and foremost, we are one team. We use common sense approaches to focus on accomplishing our primary mission – to dramatically enhance the UAE's national security. No politics, just action.

"The Great Place to Work® certification serves as a reminder of our achievements, the progress made, and the milestones we have yet to conquer. I am proud of how we have grown and how far we have come, but there is still so much to accomplish."

Great Place to Work® is the global authority on workplace culture, employee experience, and the leadership behaviours proven to deliver market-leading revenue, employee retention, and increased innovation. The Great Place to Work® certification is based on direct feedback from employees, provided as part of an extensive and anonymous survey

about the workplace experience.
