EDGE Awarded by UAE Cybersecurity Council at Intersec 2023

JAHEZIYA, a single-stop service provider for defence solutions and emergency response services, was awarded by the Cybersecurity Council during Intersec 2023, the leading trade fair for Safety, Security & Fire Protection, held at the Ritz Carlton in Dubai from 16 to 18 January. JAHEZIYA CEO Talal Al Hashmi accepted the award, presented by H.E. Dr. Mohamed Al Kuwaiti, Head of the Cybersecurity Council, which recognises JAHEZIYA for their efforts in cyber training, as well as their excellence in service provided during the current Cyber Pulse Project.

JAHEZIYA is the region’s leading provider of emergency firefighting and rescue training and services, military consultancy, and technical services. JAHEZIYA is part of the Trading & Mission Support cluster at EDGE, a leading advanced training and technology group for defence and beyond.
