EDGE to Supply AJBAN Internal Security Vehicles to Abu Dhabi Police in AED 72 Million Deal

EDGE Group entity NIMR, a leading manufacturer of combat-proven wheeled military vehicles, today announced a contract with Tawazun Economic Council (Tawazun) to supply AJBAN Internal Security Vehicles (ISV) to the Abu Dhabi Police. Under the terms of the deal, NIMR will start delivering the vehicles in 2024.

Abri du Plessis, CEO of NIMR, said: “NIMR is pleased to sign this deal that consolidates our strategic relationship with Tawazun and Abu Dhabi Police and contributes to the security preparedness of the UAE. This is a milestone not only for NIMR, but for the UAE as we continue to develop sovereign capabilities and manufacture high-tech and pioneering vehicles locally. We look forward to helping our customers benefit from the exceptional operational capabilities of the AJBAN ISV."
