EDGE Signs Memorandum of Understanding with Khaleej Aerospace

EPI, the cornerstone of precision engineering in the UAE's aerospace, oil & gas, and defence industries, today signed a Memorandum of Understanding (MoU) with Khaleej Aerospace, the first aerospace manufacturing firm in Dubai for various aerospace components, specialising in manufacturing, sheet metal fabrication and tubing. As per the MoU, EPI will jointly collaborate with Khaleej Aerospace to discover areas where they can provide support regarding specialised machining, surface treatments, and manufacturing capabilities.

The announcement was made during the ongoing Dubai Airshow, extending until 17 November at the Dubai World Centre.
