EDGE Entity LAHAB Signs Agreements with PT Pindad for Greater Collaboration and Supply of Ammunition

EDGE Group entity LAHAB, the UAE's sole ammunitions manufacturer, and PT Pindad, an Indonesian state-owned enterprise and one of Asia's leading defence manufacturers, have signed a Head of Agreement to explore collaborative opportunities in establishing defence manufacturing capabilities, and a Memorandum of Understanding (MoU) to supply defence equipment.

Under the Head of Agreement, signed in the presence of His Excellency Suhail Al Mazrouei, Minister of Energy and Infrastructure, at the Indonesia-UAE Business Week 2024 in Bali, LAHAB will explore opportunities to enhance industrial collaboration between the two defence industries. Under the MoU, LAHAB will supply defence equipment for production purposes to PT Pindad.

The agreements are part of an ongoing effort between both countries to bolster the capabilities of the Indonesian defence industry, and increase bilateral trade to USD 10 billion by 2030 under the Comprehensive Economic Partnership Agreement.
